Short bio

Antonio De Marco is Tenure-track Assistant Professor at the Interuniversity Department of Regional and Urban Studies and Planning (DIST) of Politecnico di Torino, holds a Doctorate in Economics and Complexity at Collegio Carlo Alberto and a Master of Science in Management Engineering at Politecnico di Torino. He contributed to several research projects funded by the European Investment Bank, the European Patent Office, the Joint Research Center, and the European Commission.

He is Associate Editor of the International Journal of Innovation and Technology Management and serves as reviewer for several international and national journals such as Technological Forecasting and Social Change, the Journal of Technology Transfer, Technovation, Economics of Innovation and New Technology, the Journal of Engineering and Technology Management, Management Decision, Plos One, the Journal of Industrial and Business Economics, Venture Capital, and IEEE Access.

His research interests are in the areas of the economics of innovation, the markets for technology, the economics of cities and urban areas, the management of intellectual property rights, and the economics of technical standards. Such topics are investigated with an empirical perspective and micro-econometric techniques. His scientific works have been published in refereed international journals such as Research Policy, Technological Forecasting and Social Change, Economics of Innovation and New Technology, and the Journal of Technology Transfer.

Work experience

2021–2024	Tenure-track Assistant Professor , <i>Interuniversity Department of Regional and Urban Studies and Planning (DIST), Politecnico di Torino</i>
2018–2021	Assistant Professor , <i>Department of Management and Production Engineering (DIGEP) and Future Urban Legacy Lab (FULL), Politecnico di Torino</i>
2017–2018	Post-doctoral Research Fellow , <i>Department of Management and Production Engineering (DIGEP), Politecnico di Torino</i>
2015–2016	Visiting Fellow , <i>Institute of Technology and Public Policy (ITPP), École Polytechnique Fédérale de Lausanne</i>
2012–2017	Research Fellow , <i>Department of Management and Production Engineering (DIGEP) and Research Support and Technology Transfer Area (TRIN), Politecnico di Torino</i>

Education

- 2013–2017 **Vilfredo Pareto Doctorate in Economics and Complexity**, *Collegio Carlo Alberto*
2007–2012 **Master of Science in Management Engineering**, *Politecnico di Torino*

Teaching

- 2018–2023 **Urban Economics**, *Politecnico di Torino*
2019–2023 **Economics and Business Organization**, *Politecnico di Torino*

Research projects

- 2022–2024 **The European cleantech industry, the EU green deal and SME equity demand**, *European Investment Bank*
2018–2020 **University research funding, patenting and technological impact**, *European Patent Office*
2018–2019 **Investigating the capabilities and the competitiveness of the EU vis-à-vis its main competitors in developing civil technologies with critical spillovers to the defence sector**, *Joint Research Center, European Commission*
2017–2018 **Assessing the innovation capability of EU companies in developing dual-use technologies**, *Joint Research Center, European Commission*
2015–2016 **An analysis of the role and engagement of universities with regard to participation in the framework programmes**, *Directorate General for Research and Innovation, European Commission*
2012–2015 **Intellectual property lab: research initiative for the development and application of advanced techniques for patent data intelligence**, *Finmeccanica*

Conferences

- 2022 **Seventeenth EPIP Conference on Opening IP for a Better World**, *European Policy for Intellectual Property Association*, Cambridge, United Kingdom
2021 **Techspace Workshop on Advancing Indicators of Regional Structural Change**, *University of Bremen and Leibniz University of Hannover*, Jena, Germany
2019 **T2S Annual Conference on Technology Transfer, Innovation Policy, and Entrepreneurship**, *Technology Transfer Society*, Toronto, Canada
2018 **Fifty-eighth ERSAs Congress on Places for People: Innovative, Inclusive, and Liveable Regions**, *European Regional Science Association*, Cork, Ireland
Seventeenth Schumpeter Conference on Innovation, Catch-up, and Sustainable Development, *International Joseph Alois Schumpeter Society*, Seoul, South Korea
2016 **Thirteen ENEF Meeting on Firms, Technology, and the Quest for Sustainable Development**, *European Network on the Economics of the Firm*, Moncalieri, Italy
Sixteenth Schumpeter Conference on Building Bridges, *International Joseph Alois Schumpeter Society*, Montréal, Canada
2015 **Sixteenth International CINET Conference on Pursuing Innovation Leadership**, *Continuous Innovation Network*, Stockholm, Sweden
FINKT Conference on Knowledge Transfer and Entrepreneurship, *Università di Bologna*, Rimini, Italy
2013 **T2S Annual Conference on Technology Transfer, Entrepreneurial Activity, and Regional Competitiveness**, *Technology Transfer Society*, Bergamo, Italy

Awards

2018 | **Bernardo Nobile Prize**, *Area Science Park*

Training courses

- 2018 | **Introduction to Spatial Econometrics using Stata**, *Tstat*
- 2014 | **Introductory Econometrics**, *Centro Interuniversitario di Econometria*
- 2013 | **Knowledge Dynamics, Industry Evolution, and Economic Development**,
Université de Nice Sophia Antipolis and Centre National de la Recherche Scientifique
